

Cookie Policy:

	<p>Our Privacy Notice explains what information we collect and why. This policy specifically explains how we, our partners, and users of our services use cookies, as well as the options you have to control them.</p>
	<p>What are cookies?</p> <p>Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser. They are widely used to “remember” you and your preferences, either for a single visit (through a “session cookie”) or for multiple repeat visits (using a “persistent cookie”).</p>
	<p>Why do we use cookies?</p> <p>We use cookies to help the website remember you each time you login in, so we can make sure you have a good experience. For example we use cookies to help us tell you when new posts have been added or someone new has shared their profile with you.</p>
	<p>Controlling Cookies</p> <p>You may wish to restrict the use of cookies or completely prevent them from being set. Most browsers provide for ways to control cookie behavior such as the length of time they are stored – either through built-in functionality or by utilizing third party plugins. If you disable cookies, please be aware that some of the features of our service may not function correctly.</p>

Here is the list of cookies on CVT Connect:

Cookie	Name	Purpose
Session	ASP.NET_SessionId	General purpose platform session cookie, used by sites written with Microsoft .NET based technologies. Used to maintain an anonymised user session by the server.
